serving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible. As a Dressing for Ladies' Hair,

The Vigor is incomparable. It is coloress, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

45 Worth Street, NEW YORK, August 1, 1879. NEW YORK. August 1. 1879.

In order to avoid danger from the malady now existing in the Mississippi Valley, we have deemed it better for both our customers and ourselves to temperature close our Memphis house, and solicit your orders for Dry Goods, Notions, Clothing, Men's Furnishings, etc., from our office in New York. The advantages which this city can furnish in transportation facilities, in case Louisville, Cincinnati and St. Louis should also become (not improbable) isolated by rigid quarantines, induces us to adopt this policy, in order to furnish our friends with a more reliable assurance for obtaining their supplies. We will endeavor to faithfully fill any orders with which you may intrust us.

MADE FROM THE BERRY IN COMBINATION WITH THE EXTRACT OF BLACKBERRY ROOT. It is almost needless to say that this preparation, for an effectual and certain cure for Dysentery, Acute and Chronic Diarrhoa, Flux, and all kindred diseases, far excels any other known remedy. It not only cures the disease, but strengthens the intestinal organs and invigorates the entire system. We do not claim it to cure every thing, but we guarantee it to cure the diseases we name above. For children it has no equal, being both mild and safe in its effects; and for females it is the best strengthener and appetizer known.

Can be taken at all times with perfect safety. For sale by all druggists.
